Our university has existed since 1969.
Currently we have 1707 students, 272 places in
the hostel, the cost of training varies between
120050 and 235500 rubles.
The education is provided by 162 professors
and teachers.

Today Kazan state institute of culture trains qualified specialists in the following areas of training: **42.00.00 MASS MEDIA AND INFORMATION AND LIBRARY SERVICES, 43.00.00 SERVICE AND TOURISM, 44.00.00 EDUCATION AND PEDAGOGICAL SCIENCES, 46.03.02 Documentary and archival science, 50.00.00 ART STUDIES, 51.00.00 CULTURE STUDIES AND SOCIOCULTURAL PROJECTS, 52.00.00.00 SCENIC ARTS AND CREATIVE WRITING, 54.00.00 FINE AND APPLIED ARTS.**

Education at the Institute is conducted in Russian language. For foreign citizens who do not speak Russian, the preparatory faculty of Kazan state institute of culture offers a course "Russian as a foreign language". The program is designed for one year and implies not only mastering Russian as a foreign language, but also immersion in the culture and traditions of the country of the studied language. The students of the preparatory faculty also study literature, history and social studies.

Kazan state institute of culture has created a system of continuous education. Programs are implemented at all levels: bachelor's, master's, specialist's, postgraduate, assistant internship, as well as programs of additional education and programs of professional development and retraining for the training of highly qualified personnel.

International activity is one of the priority directions of development and modernization of the Institute.

At present the Institute has 30 projects with educational and creative institutions of Kazakhstan, Ukraine, Moldova, USA, Latvia, Kyrgyzstan, Tajikistan, Bulgaria, Belarus, Azerbaijan, Poland, Germany, Great Britain, Estonia, France, Spain, Cuba, Hungary, Israel, Iran, South Africa, Uzbekistan and other countries.

In 2019 at our Institute:

- 75 foreign students studied here;
- 17 foreign specialists were brought in to deliver lectures and master classes;
- 5 students from Kazakhstan underwent international internship;
- 4 students of KazSIC had an internship in Kazakhstan;
- 10 students participated in summer theatre school in Hungary;
- 10 students performed with a 'Nutcracker' ballet in Senegal;
- advanced training courses were held for teachers from foreign countries.

In accordance with the development strategy of Kazan state institute of culture in the field of international cooperation for 2020-2024, the plan provides:

- International grants for students, postgraduates and teachers.
- Joint educational and cultural activities with partner universities abroad.
- Participation in international creative projects, conferences and symposiums.
- Increase in the number of foreign students and postgraduates.
- Enhancement of student exchange processes with universities around the world.

The priority of the Institute is to conduct research in the following areas:

1. Document as an object of cultural research;

2. Dominants of modern socio-cultural development in the context of globalization
3. Theory, history and modern broadcasting of folk art culture

4. Music performing arts: theory and practice

5. Study, preservation and updating of historical, cultural and artistic heritage of the Middle Volga region

6. Development of audiovisual arts of Tatarstan and the Volga region

7. Traditional and modern trends in the development of theatrical art: stage direction and actor's art

8. Tourism as a managerial, economic and socio-cultural phenomenon

9. Intercultural communication in a multi-ethnic space

Scientific schools have been established and are functioning at faculties and chairs of our university:

- "Document as an object of cultural research"

- "Theory, methodology and organization of social and cultural activities"

- "Philosophical and cultural problems of post-non classical science."

- "The genesis of cultural forms in the context of the world historical and cultural process."

Harmonious infrastructure of the Institute ensures high quality of education: innovative educational centres of knowledge transmission, libraries, educational laboratories, educational theatres, concert halls, sports grounds, medical centre and hostel, 2 sound recording studios.
